“CUSTOM BLENDS QUALITY STATEMENT”

2009

Causeway Produce Agency is committed to consistently producing **CUSTOM BLENDS** of highest quality.

Our quality control and manufacturing standards are designed to meet the **“Australian Code of Good Manufacturing Practice for the Feed Milling Industry”** (controlled by the Standing committee of Agriculture Co-Coordinating Committee of Agricultural Chemicals)

Our commitment to the **“M.R.L Standard Maximum residue limits in food and animal feedstuffs of pesticides, agricultural chemical feed additives and veterinary medicines”** is of the highest level and to this end our Raw Materials are sourced from reputable Company's specialising in animal feed products and committed to the M.R.L Standards (Maximum Residue Limits).

We declare our **CUSTOM BLENDS** to be suitable for their intended use.
